WINEMAKER NOTES

The extended 2006 vintage resulted in a rare combination of robust yields and great quality. A long, warm and dry growing season in the Willamette Valley fully ripened the Pinot Noir grapes, leading to beautiful balance and concentrated flavors. This wine has a brilliant garnet color with supple body, bright red cherry nose with cherry blossom topnotes and a hint of exotic spices like cardamom and star anise. Smooth entry with even texture through to the finish with red cherry flavors.
